Principal's Message

Dear Parents/Caregivers

With the early arrival of some glorious summer weather, families are reminded of the importance of remaining sunsafe and hydrated during these times.

Wearing a broad-brimmed hat, applying sunscreen, drinking from a big water bottle and adjusting playtime activities are great 'sun smart' choices to ensure we remain healthy and cope with the warmer conditions.

Student Leadership

Pictured is Liam East delivering his 2018 minister speech today at morning assembly.

All nominated Year 5 students will be presenting their campaign speeches throughout this week in readiness for Parliament voting next Tuesday.

We wish them all good luck.

Class Placement 2018

In the coming weeks, staff will begin the important process of putting together class lists for next year. Students academic achievements, peer relationships, class sizes, and teacher knowledge and understanding of their students will be used to place children appropriately.

If however, you have a **concern** or **request**, I ask that it be put in **writing** and addressed to the Principal.

I must stress that the final decision of placement will be made by the teachers and executive staff.

Also importantly, if your child/children **will not** be attending South in 2018, please notify the front office.

Intensive Swimming

Our Learn to Swim program is creeping closer and organisation is well underway.

All Yr 2 students and those Yr 3-6 students who struggle to swim 25 metres will receive their information/permission notes today.

The intensive swimming program will run from Monday 27th November until Thursday 7th December.

Kinder Orientation

Another successful session was held last Friday with our 2018 Kinder students settling in smoothly to our 'big school' environment.

The parent information sessions in our hall also continued to be well received, with a fun engaging presentation from our school IT co-ordinator Mr Fajks, and some great parenting tips shared by our District Learning and Well being team.

The orientation program will conclude this Friday, with the parent session including presentations on the importance of providing healthy lunches/snacks, and information on some of the special literacy and numeracy programs that operate within our school.

Staffing

This Friday will be the final day at South for third year Charles Sturt University student, Miss Lyndal Jennings. The school would like to congratulate and thank Miss Jennings for her effort, working with Miss Baker and Class 3 Acacia over the last six weeks.

We hope that Miss Jennings enjoyed her time as part of the talented South teaching team.

Generous Donations

Our school community is very grateful for the generous ongoing support of the Deniliquin Debutante Ball committee.

Pictured below is Executive Member, Mrs Deb O'Connor and students with the IT Notebooks purchased from the monies given to the school this year.

P&C Monster Christmas Raffle

Deniliquin South P&C will be holding a Monster Christmas Raffle again this year and we are hoping that families will support the P&C by bringing in something for our class hampers.

Some ideas include: Christmas puddings, shortbread, tinsel, bon-bons, coloured popcorn, chocolates, tinned food, biscuits, chips, nuts, soft drink, jams, condiments, wrapping paper, cards etc. Anything that is non perishable would be great!

There will be a basket for each class in the front office foyer to fill, so please send in donations over coming weeks.

Raffle tickets will be \$1 each and a raffle book will be sent home to each family to sell.

The Raffle will be drawn on Monday 11/12/17.
