Principal's Message

Dear Parents/Caregivers

We are into the final few weeks of Term 4, and it is a busy time with so many end of year events organised.

Please take the time to check the 'diary section' of the newsletter to ensure you don't miss any of the action.

Intensive Swimming

This very important program has made a smooth start with many students embracing the 'Learn to Swim' activities, and most importantly gaining confidence in their ability in the water.

Big thank you to Mrs Dudley for co-ordinating the program, and to **Deniliquin MIL** for their continued financial support, which allows the school to run the program at a reduced cost.

Parliament 2018

Congratulations to the following students who were successful in the recent elections and gained a ministerial role for 2018.

Ella Birt, Hayden Doncon, Eddie Dudley, Jarrah Fitzpatrick, Phoebe Jefferies, Cooper King, Mia Parks, Paige Wall, Maddie Weir and Cameron Wills.

The Prime Minister and Deputy Minister will be announced at Presentation Day.

I am sure the elected students will be excellent role models for our school.

All Yr 5 students who nominated for the 2018 Parliament will be offered invitations to attend the GRIP Leadership Day in Albury next year.

Sporting House Leaders

Congratulations to the following students who have been selected as a leader of their respective sporting house for 2018.

For our school to continue to be a great place to learn, we expect all students to exhibit leadership qualities, not just the students in elected positions.

Volunteers' Morning Tea

The school will be hosting its annual 'Thank You Morning Tea' tomorrow, to acknowledge the support our many parents and community members give to our school. The morning tea will be held in our school hall commencing at 11.00am, and include performances from our school ukulele group.

Year 1 Expositions

After many weeks of practice, writing and preparing expositions, the finalists from 1 Wattle, 1 Uluru and 1 Fraser Island will deliver their persuasive speeches this Friday morning at our special Year 1 Public Speaking forum.

The speeches will commence at 9.30am, and all parents and community members are most welcome to attend.

School Magazine

The 2017 School Magazine is on sale at the front office now for \$5.

The magazine is a super publication, highlighting the numerous events and achievements that have occurred throughout our school year

Have a great week.

Big Bash Cricket

Despite the warm conditions, all the South teams enjoyed the fun and action whilst participating in the Big Bash cricket matches last week.

Many boundaries were hit and wickets taken, whilst Mr Bradley's trendy music filled the atmosphere.

A big thank you to Mr Bradley for his organisation of the cricket days, and also the South staff and parent/helpers who were team supervisors and scored over the two days. A big shout out also to our South canteen and their volunteers for the super job they did selling food and drinks on the day.

Thank you to Andrew Holloway, Matthew Collins, Georgia Dudley, Andrew Lea, David Caruso, Natalie Connolly, Narelle Leitch, Cindy Hand, Cheryl Bradley and Laura Ross.

Yr 6 Graduation Dinner

This is always a wonderful evening where staff, parents and students come together to formally acknowledge the efforts of our Year 6 students and wish them a fond farewell. The Graduation Dinner will be held next Tuesday 5th December at the Deniliquin RSL Club, commencing at 7.00pm.

A big thank you to Miss Kerry for her organisation of this important formal occasion.

000 Safety Day

Despite the warm conditions our students enjoyed a great day learning about our local safety services and the important role they play in keeping our community safe.

A big thank you to Mrs Croker for organising the learning opportunity for our students, and to the local Ambulance, Police, Fire and Search and Rescue personnel for their engaging, safety presentations throughout the day.

Snake Sightings

The early arrival of the warm summer weather has brought with it numerous sightings of snakes in and around the school vicinity.

Students are reminded about the appropriate actions to take if they find a snake in their immediate area.

Under **no** circumstances do you confront or agitate the snake, instead report the sighting to the teacher on duty.

The school has made certain areas in our grounds **out of bounds** to lessen the likelihood of problems occurring.

Friday Formal Assemblies

Our last formal Friday assemblies will be held this Friday 1st December. Normal timeslots will apply.
