Term 4 Week 6 - 19/11/2019

Principal's Message

Dear Parent/Caregivers,

With the early arrival of some summer weather, families are reminded of the importance of remaining sun safe and hydrated during these times.

Wearing a broad brimmed hat, applying sunscreen, drinking water and adjusting playtime activities are great 'sunsmart' choices to ensure we remain healthy during these times.

Yr 5 Ministers Speeches

Nominated Yr 5 students will be presenting their campaign speeches throughout this week in readiness for Parliament voting this Thursday.

We thank them sincerely for putting themselves forward to be part of our student leadership team and wish them all the very best.

Kinder Orientation Program

Our Kinder Orientation Program enjoyed a very successful conclusion last Friday. Huge thank you to Miss Parsons for her wonderful organisation of this important transition program. Parents had an opportunity to hear from a number of presenters over the three sessions, whilst the 2020 kinders experience 'Big School', with the support of their Yr 5 buddies.

Intensive Swimming

Our Learn to Swim Program is creeping closer and organisation is well underway. Notes are due back to the office as soon as possible.

P&C Monster Raffle

Our school P&C have been busy organising a Monster Christmas Raffle as an exciting fundraiser to finish off our school year. Please get on board and support this initiative, by bringing in items for the class baskets and/or purchasing tickets in the draw.

Year 6 Transition to High School

Last Wednesday the Yr 7 transition program to DHS concluded with a tabloid sports fun day.

The day consisted of five separate games. The students also had the opportunity to enjoy a sausage in bread, drink and zooper dooper.

Thank you to Deni High for hosting the day.

Big Bash Cricket Days

All South teams enjoyed the opportunity to join with other school in a series of modified matches.

Many boundaries were hit and wickets taken, while Frieda and Gavin Nolan cooked up a storm in the make-shift canteen. Thank you both for the amazing job you did to ensure the competitors were well watered and fed.

A big thank you to Mr Fajks for his organisation of these cricket days, and also to those South staff and parent helpers who were team supervisors.

P&C Meeting

Just a reminder that our next P&C meeting is on **tonight**, at 7:30pm in the staffroom.

Otitis Media Screening Program

Today our Indigenous students were involved in hearing assessments by member of the Murrumbidgee Local Health District team. These tests are part of the Aboriginal Otitis Media Screening Program.

Healthy Canteen Strategy

Our school canteen has now achieved the canteen strategy tick of approval. With our menu made up of 75% everyday items and 25% occasional food, this means that the healthier option will be the easier choice for our students.

Congratulations and thanks must be extended to Janette, our P&C representatives and Health promotion officer from Murrumbidgee Health, Mel Broadbent for all of their input and the hard work that they put into achieving this status.

Canteen Committee 2019/2020

President:	Kama Jennings
Secretary:	Rebecca Flisher
Treasurer:	Kama Jennings (interim Treasurer until another can be appointed).
General Committee:	Kate Smith, Frieda Nolan, Lauren Kelly, Christine Donald, Fiona Petersen

Have a happy week!

Liz Dudley
Principal

Deniliquin South P&C will be holding a Monster Christmas Raffle again this year and we are hoping that families will support the P&C by bringing in something for our class hampers.

There will be a basket in each classroom to fill, so please send in donations over coming weeks. Raffle tickets will be \$1 each. A Raffle book was sent home today for each family to sell.

Thank you for supporting Deni South School P&C.

Information Sessions for Parents, Carers and interested professionals

Supporting Children and Young People in Drought Impacted Communities

Loss at any time in life can be challenging. At Good Grief, we develop and support a range of evidence-based loss and grief education programs that help children, young people and adults to understand their experience and attend well to their grief following major loss experiences.

The drought brings many changes and losses for children, young people and families in the Murrumbidgee community and more broadly. Concerns are often raised about the impacts and how we may best support children and young people.

COMMON QUESTIONS ARE:

1. What is the impact of prolonged drought for wellbeing of children and young people?
2. What are normal and natural reactions for children and young people?
3. How can I best support the children and young people in my care?

ATTENDEES WILL HAVE THE OPPORTUNITY TO LEARN ABOUT:

1. Children and young people's reactions following significant life events;
2. The Seasons for Growth approach to understanding and supporting children and young people following significant life experiences;
3. Practical strategies to support children and young people;
4. Caring for yourself;
5. Questions and answers, networking.

VENUE: RSL Club, 72 End St, Deniliquin NSW, 2710
DATE: 13 November 2019, 5.30 - 7.30pm

Good Grief will also provide training to enable professionals working in schools and community organisations to facilitate the Seasons for Growth Children and Young People's small group program with children and young people. Seasons for Growth provides a safe learning environment for children and young people where they can give voice to their experiences, understand their feelings, learn skills to adapt and recognise 'I'm not the only one'.

FOR MORE INFORMATION on Seasons for Growth, visit www.goodgrief.org.au

This initiative is funded by from Murrumbidgee Primary Health Network through the Australian Government's PHN Program and Empowering Communities program.

If you are interested in attending the session, please email karen.muir@goodgrief.org.au
