Term 1 Week 11 - 9/04/2019

Principal's Message

Dear Parents/Caregivers,

I cannot believe that we are in the final week of Term 1. It has been a term filled with many sporting and extra-curricular activities and the students are to be congratulated on the way in which they have embraced these opportunities.

Huge thanks to the hardworking staff and supportive parents whose continued efforts, ensure all our students are involved in rich quality learning experiences.

I hope everyone takes the opportunity to enjoy a well-earned break.

Staff return on **Monday 29th April** and will be involved in professional learning as part of our Staff Development Day, whilst students return on **Tuesday 30th April**.

Mini-Fete Friday 12th April

There is plenty of excitement in the air, with our big annual charity Mini-Fete to be held this Friday.

The big day will commence with the traditional Easter Hat Parade 9.10am, followed by the famous Kindergarten Cake Stall at recess time.

The Mini-Fete stalls will run from 1.10pm - 2.30pm followed by the drawing of the Easter Raffle. Students are able to wear casual.

Due to the Min-fete there will be no assemblies.

Town ANZAC March/Service

Deniliquin South students and families have always been strong supporters of the Town ANZAC Service.

The service will be held on **Thursday 25th April**, with the march commencing at the Town Hall.

Students are to be at the Town Hall by **10.40am**, wearing summer school uniform, with their school broad brimmed hat. Just a reminder, that if students are wearing medals belonging to a family member, they are to be pinned on the **right hand side**.

Parent Teacher Conferences

It has been extremely pleasing to see so many parents and careers taking up the opportunity to meet their child's teacher this week, to discuss the educational progress of their child/ren. From all reports the meetings have been positive, with numerous strategies being offered, as well as, future goals for learning being set.

Wednesday 10th April - 1/2 Apollo, 2 Rockets, 5/6 Lunar

Thursday 11th April - 3 Gravity, 4 Armstrong, 3/4 Tranquility

Lost Property

I extend an invitation to all families to drop into the front office and 'inspect' the large amount of lost property, jumpers, hats etc) that have been collected over the first 11 weeks of school.

Debating

Congratulations to Keely Hussey, Sarah Duffy, Lily Cameron, Lillian Watson, Chelsea Weir, Jasmin Currie, David Ingram, Grace Allit and Dakota McKenzie, who have all been selected to participate in the Debating Workshop being held at North School tomorrow. The workshop will focus on developing skills such as: the ability to speak clearly, think quickly, clarifying arguments, maintaining persuasive speech, a professional tone and suitable body language.

P&C Trivia Night

Congratulations to the P&C committee, who were able to bank \$2375.80 as a result of the much enjoyed Trivia Night. I have heard a little whisper, that plans are under way for next year's Trivia evening. Make sure you keep an eye out in the newsletter and on our FB Page 'Deni South School Happenings', for any upcoming meetings or events being organised by the P&C.

Remember that actions always speak louder than words when it comes to valuing your child's learning.

Joining the P&C is one of the best ways to show your children how much you value their education and how interested you are in what they do.

Participating in P&C activities can also help you to form friendships with other parents/carers and to feel a part of your school community.

To continue this important work, P&Cs need people from all walks of life and with a range of talents who are committed to delivering great outcomes for their children and our school.

The more people involved, the more exciting and successful our P&C Committee will be. Research shows, that children perform better at school, when their parents are involved in their education.

Enjoy your week!

Last Tuesday Caitlyn Saunders and Winnie Thomson attended the Riverina Girls soccer trials, held in Albury. Both girls played very well, making it through to the possible/probable game at the end of the day. Although missing out on the final 14 Riverina squad, both girls are to be congratulated on their participation, effort and sportsmanship. Woolworth's Landgrant

Huge thanks must be extended to Shae Fitzpatrick for her outstanding efforts in putting together the School's application for the Woolworth's Junior Landcare Grant.

The great news is that Shae, was successful with our application for our project, which is to create a composting station where students will be encouraged to recycle and improve waste management, reducing the food waste going to our local landfill plant. The project will continue to develop student understanding of the importance of recycling.

The new compost area will be located in close proximity to our vegetable garden, where we currently practice organic fresh food production for use in our school canteen, and classrooms.

Our School is one of 538 primary schools and early learning centres throughout Australia receiving a Woolworths Junior Landcare grant to help grow our next generation of environmental champions.

The grants are being funded with money made from the sale of the Woolworths recyclable Bag for good™ which was launched in 2018 when the supermarket stopped using single-use plastic bags.

GREAT NEWS
We've just been awarded a Woolworths Junior Landcare Grant!
