**Term 4 Week 9 - 8/12/2020**

## Principal's Message

Dear Parents/Caregivers,  
I cannot believe that we only have 6 more days of school left in our 2020 academic year.  
This week, although extremely busy, will be a wonderful celebration of learning, with Year 6 Graduation, Platinum and Presentation Day, being held.  
These special occasions provide an excellent opportunity for our school community to celebrate the wonderful achievements of our students and reflect upon the amazing learning that occurs within our school.

## Expositions Year 1

Myself and fellow adjudicators, Max Ferguson and Saskia Malin, were greatly impressed by the standard of public speaking displayed at the Yr 1 Exposition Presentations last Friday. The audience enjoyed the confident and organised manner in which the nominated Yr 1 students delivered their persuasive speeches.  
Big thank you to Mrs Selleck and Miss Parsons for organising this special program.

## School Magazine

Congratulations to Rose Keane, Cathryn Park and Shae Fitzpatrick, and with some fine tuning from Bec Flisher for the sensational job they did in putting together the School Magazine for 2020. It is such a fitting tribute and celebration of the numerous events and achievements that have occurred throughout the year.  
Limited copies of our School Magazine for 2020 will be for sale later this week. A pre-order form is attached to the newsletter.

## School Presentation Day

The annual School Presentation day will be held this **Friday 11<sup>th</sup> December**. This special ceremony will commence at 10am for K-2 and 11.30am for Years 3-6. Students receiving awards will also be presented with a copy of the 2020

Presentation Day Booklet and a photo with their award will be taken.

## Semester 2 Reports

As part of the school's assessment procedures, Semester 2 reports will be issued next **Tuesday 15<sup>th</sup> December**. The reports are a key summary of your child's progress this year in the key learning areas, and includes comments on general development, (socially and emotionally) and effort put into learning this year.

## Platinum Certificates

Platinum Certificates will be presented tomorrow.

## Yr 6 Graduation Dinner

This is always a wonderful evening and tonight staff and students will come together to formally acknowledge the efforts of our Yr 6 students and wish them a fond farewell. The Graduation Dinner will be held this evening **Tuesday 8<sup>th</sup> December**, at the Deniliquin RSL Club, commencing at 7pm. A big thank you to Miss Kerry for her organisation of this important formal occasion.

Reminder that the ringing of the 'Arthur Lewis Bell' will be held at **2.40pm** on **Wednesday 16<sup>th</sup> December**.

## Commendation Letters

As part of the school's award system, up to six students from each class will receive congratulatory commendation letters in the post in the coming weeks. The letters are acknowledgement by all staff, of the students who, this semester, have consistently:

- a) Displayed exceptional work habits
- b) Produced work to the best of their ability
- c) Exhibited excellent manners and possess a positive attitude towards learning

Congratulations to these students.

**NB** Students are only eligible to receive commendation letters every two years.

## Intensive Swimming

All students who participated in this fantastic program received their certificates today. The certificates also act as a report card of student achievement, identifying what has been achieved and where to next for skill development. Thank you to Mr Morris for coordinating the program at school level and to Chris Henson and Georgie Dudley, our team of Austswim instructors.

Have a wonderful week!

*Liz Dudley*

Principal

**Note:** Our final newsletter for the year will be released next week.

### Presentation Day Organisation

Our Annual Presentation Day ceremony will be held this **Friday 11th December** in the **Danckert Hall**, commencing at **10.00am** for **K-2** and **11.30am** for **Yr 3-6**. An outline of the program is below.

## Explore the **Everyday Maths Hub**

It is easier for children to understand maths when they relate it to something real and see it as part of their everyday life. The Everyday Maths Hub is designed to support parents and carers to bring mathematics into their home, the outdoors and anywhere else their children learn and play.

You can find the Everyday Maths Hub at [education.nsw.gov.au/everyday-maths](http://education.nsw.gov.au/everyday-maths)

### SOUTH WEST MUSIC

### HAVE YOU EVER THOUGHT ABOUT MAKING HEALTHIER LUNCHBOX CHOICES BUT YOU -

- DON'T KNOW WHERE TO START!**
- DON'T HAVE TIME**
- HAVE FUSSY EATERS**
- FIND PACKING STRESSFUL!**

**The Root Cause can help!**

The services include:

- Online subscription for The Root Cause
- Access to lunchbox recipes
- Ideas to save time
- Access a range of online tools and resources to support ongoing change in the home
- 5 minute healthy lunchbox system

The Root Cause starts conversations with children, parents and teachers about food, and how it impacts health, learning, waste and the environment.

The 'Lunchbox Effect Book' is available at the OOSH centre

For further information go to [rootcause.com.au](http://rootcause.com.au) or grab a brochure from the OOSH centre
