Term 3 Week 9 - 15/09/2020

## Principal's Message

Dear Parents/Caregivers,  
Welcome to yet another busy week of learning at South.

### RUOK Day

Last Thursday 9<sup>th</sup> September, all students K-6 were involved in R U Ok Day activities. The day was a terrific opportunity for our students to learn about the importance of kindness and checking in on another's wellbeing. The students also painted kindness rocks to take home as a reminder of the importance of sharing kindness with their families as well.

### Game Changer

Throughout the term students from Yr 6 Trickett, as part of their STEM program, have participated in the 2020 Game Changer Challenge. The challenge required students to be part of a team and work collaboratively on creating a technology device designed to bring the community closer together. As part of this challenge, students had to submit a video to promote their ideas and creation to a judging panel. The design thinking challenge was open to all 2,200 public schools across the state, and I am excited to announce that **two of our school teams** have made it through to the semi-finals. Huge thanks to Miss Sutton and Miss Baker for coordinating this great learning opportunity.

### Debating

Congratulations to our debating team, of Ava Richards, Keely Hussey, Saskia Malin and Max Ferguson, who were outstanding against the Barham Red Debating Team. Our students demonstrated that they had built on their feedback from the previous round and were able to secure the win. Congratulations to Barham Blue team who were the overall winners of the Premier's Debating Competition.

### Bush Poets

Next Thursday, five Yr 6 students will present a poem of choice to a small representation of the Bush Poet Society. This will be a COVID safe event, taking place under the Bus Shelter, allowing for 1.5 social distancing. The following students will each perform an Australian poem.

1. Abbey Doncon 'After All' by Henry Lawson
2. Ava Richards 'Where the Pelican Builds her Nest' by Mary Hannay-Foott
3. Saskia Malin 'Bellbirds' by Henry Kendall
4. Brooklyn Barnes 'Weary Will' by Banjo Paterson
5. Mya Crampton 'Old Man Platypus' by A.B Paterson

### MaraFun School Based Fundraiser

MaraFun will take place this **Friday the 18<sup>th</sup> September**, between recess and lunch, with Kinder to Yr 2 and Yr 3- Yr 6 students, completing two separate obstacle courses. Yr 6 and Miss Kerry have developed two really fun and challenging courses for all those students who have elected to participate in this new initiative.

A pledge sheet for sponsors has been sent home and is due back to your child's teacher by this Thursday. If you require another copy please contact the school office.

### Important Dates for MaraFun:

Pledge Sheet due: Thursday 17<sup>th</sup> September  
MaraFun: Friday 18<sup>th</sup> September  
Pledges/sponsorship due: Tuesday 25<sup>th</sup> September

### Last day of Term is Kick the Footy Day

As a fun way to end the term, students and staff are invited to come along dressed in their favourite footy colours, next Friday 25<sup>th</sup> September, as part of **Kick the Footy Day!** Throughout the day students will have the opportunity to be involved in mini-games and tabloid activities on the oval.

### Cross Country

Due to COVID-19, this year the school will run a modified cross-country event, next **Monday 21<sup>st</sup> September**. Students from Yr 2- Yr 6 that have qualified in this event will need to wear sports uniform and runners. Students will also need an **additional water bottle** as the forecast is for a warm day.

Class teachers will let their students know this week who has been successful.

### Course Distances:

Age 8, 9 & 10 yrs run a 2km course.  
Age 11-13 yrs run a 3km course.

### P&C Meeting

The next **P&C** meeting is scheduled for this evening at **7pm**. All participants are asked to RSVP to Heidi Plant, as this meeting will once again be via zoom.

## 2021 Kindergarten Enrolment Forms

We are excited to announce we are rolling out the new Online Enrolment system from Monday, 14th September 2020 for next year's Kindergarten students.

The Online Enrolment System is designed to provide flexibility for our parents to submit an enrolment application online and at the time that best suits you. The application can be accessed on all browsers and mobile devices including iOS and Android.

The online application process is currently restricted to:

- Enrolments into **local** area schools only
- Children who are Australian citizens, New Zealand citizens or permanent residents
- Children who live in NSW.

The link to the South School online enrolment is:

<https://denilqsth-p.schools.nsw.gov.au/about-our-school/enrolment.html>

Further information about how to use the online enrolment system can be found on the department website [here](#)

If, however, you do not feel comfortable completing an application online, a paper copy will be available for collection from the front office or can be downloaded from the Department's [going to a public school site](#).

If you have any questions, contact the school office on 5881 2045.

## Reboot 2020

Thank you to all our students and families for participating in this fun event. Our Reboot exhibition is now back from the Peppin Heritage Centre where it was well supported by the community. We received some lovely feedback about this initiative and the creativity of our students.

Students are now able to pick up their boot/shoe from the school hall. Could all students please bring in a plastic bag to take their art piece home.

## Lost Property

Our lost property containers are overflowing.

If you are missing something, please contact the school front office, 58812045 and we will check the container for you.

### PARENT BY EXAMPLE

Think of your children as little carbon copies of yourselves who will mimic everything you do. If you behave badly, you are giving them permission to act in the same way.

## Be a Safety Star

Here are some smart  
safety tips your family  
needs to know when  
you're around electricity.

**DANGER**  
Stay clear when  
powerlines are near -  
electricity can jump

**DANGER**  
Stay safe and at least  
8 metres away from  
fallen powerlines

**DANGER**  
Electrical appliances  
can bite if they're  
not used right

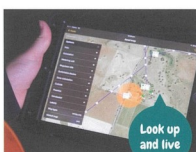

**DANGER**  
If you feel a shock or  
a tingle from a tap or  
an electrical appliance,  
tell an adult to report  
it immediately

**DANGER**  
Keep away from  
electrical equipment and  
enclosures - leave it to  
the experts!

Call Essential Energy on 13 20 80 if you see fallen or damaged powerlines —  
remember to stay at least at metres away from the line and anything in contact with it!

### Identify hazardous areas

Visit [essentialenergy.com.au/overhead](http://essentialenergy.com.au/overhead)  
to request a map, showing the  
general location of Essential Energy's  
overhead electricity network for your  
property to help you identify potentially  
hazardous areas.

Never try to use an object to reach for or  
touch a powerline. If you see something  
in contact with our powerlines, like a  
tree branch, call 13 20 80 to report the  
issue immediately.

\*Imagery may not be available for all areas.

### Emergency escape

If your vehicle makes contact with  
overhead or underground powerlines:

- Stay in your vehicle and call 000 immediately
- If escape is absolutely necessary, jump well clear to avoid contact with the vehicle and ground at the same time
- When you jump, land with your feet together. Do not touch the vehicle, fall or allow your feet to step apart.
- You must shuffle or jump, with your feet together until you are at least 8 metres clear of the vehicle, powerlines or anything else in contact with them
- Once clear, do not return to the vehicle for any reason
- Call Essential Energy on 13 20 80
- Remember to never approach a vehicle to assist in an evacuation and always treat powerlines as if they are 'live'.

If you have any safety  
questions call 13 23 91  
and ask to speak to  
Essential Energy's  
Public Safety Team.
