Term 2 Week 10- 28/06/22

Principal's Message

Dear Parents/Caregivers,
Welcome to the final week of Semester 1, and what a busy first half of the year it has been. Thank you to all our hardworking staff, amazing P&C members and families, whose efforts have led to many wonderful, quality learning opportunities and extra-curricular activities.

NAIDOC Week

Yesterday we began the final week of term with our NAIDOC Week assembly. The school hall looked wonderful, with the walls filled with student learning and artworks, reflecting this year's theme 'Get

Up! Stand Up! Show Up! Thank you to our families for coming along to celebrate with our students. NAIDOC Week celebrations will continue throughout this week, with students participating in art workshops and traditional games. The students from the local preschools will once again visit the school, and they too will be involved in culturally rich activities involving art, sport, music and literature. Thank you to Miss Parsons for all her efforts in coordinating these activities.

Industrial Action Thursday 30th June

On the 21st June, the NSW Teachers Federation directed its members to strike for 24hrs on **Thursday 30th June**. As a result of the strike the school will be operational with **minimal** student supervision. Normal classes and programs will be collapsed.

To support learning from home, resources can be found on the Department's *Learning Remotely* Hub:
<https://sites.google.com/education.nsw.gov.au/guided-learning-packages>

We thank our amazing community for their understanding and support during this action.

Semester One Reports

All students will receive their Semester 1 reports this **Wednesday 29th June**. The reports provide a summary of your child's progress so far this year. Parents are invited to contact the school should they wish to discuss any aspect of the report. A second round of interviews, either face to face or via phone, will be offered this year, in Week 4 of Term 3.

Commendation Letters

Commendation letters will be sent home to families this week. These letters form part of the school's award system, acknowledging students who consistently display:

- A) Exceptional work ethic;
- B) Produce work to the best of their ability;
- C) Exhibit excellent manners and possess a positive attitude toward learning.

NB: students are only eligible to receive a commendation letter on a biennial basis (every second year).

All-Weather Court Cola

The construction of a COLA over the all-weather court will begin this week and continue over the two week winter break. The COLA will be a welcomed addition to this space, allowing classes to use it all year round, regardless of weather.

2023 Kinder Enrolments

To assist with our planning for 2023, it is now that time of year that we begin to establish our potential student numbers for kindergarten. If parents of students planning to start Kindergarten next year could either contact the front office or complete the attached slip by **Friday 1st July**, it would be greatly appreciated.

Sharing Our Space NSW Schools

Once again, over the holiday break, the school will allow access to the grounds for families to enjoy the oval, play equipment area and the new obstacle course. We sincerely hope that our families and the local community make the most of this opportunity to enjoy the space. Due to the building program involving the all-weather court, access to the school will be through the gate closest to the Administration building and not through the Bus shelter as in previous breaks.

Platinum Award Presentation

Our special Platinum Award ceremony will be held this **Wednesday 29th June at 10:45am**. Families of students receiving this award, are asked to bring a plate to share for morning tea, following the presentation.

Have a happy week!

Library News

School Holidays

A great time to sit and relax with a book or two! If you are sorting out at home- please keep a look out for any library books that may be lurking under the bed! We are happy to receive any books and no questions asked!

Library bags also may need a freshen up and new labels in readiness for another exciting term!

At Lunchtime

Students have been utilising our warm and cosy learning environment in the cooler weather, from activities such as weekly magazine club, puppet plays, script writing, paper craft and playing with friends on the computer- we hope to please all our students.

Premier Reading Challenge

Congratulations to over 65 students who have successfully completed this great challenge with their class. Entries close 19th August, so there is plenty of time left to pick up a

reading log and complete during the holidays. To read is to succeed!

NAIDOC Week

This week in the Library, we are reading "We Are Australians" by Duncan Smith and Nicole Godwin and illustrated by Jandamarra Cadd.

This book explores the question- "What does it mean to be a citizen of Australia?" this style of writing encourages all readers to look further into the topics of citizenship and the role of Australia's First Nations people. The illustrations are full of bright colours that add joyfulness and a sense of celebration and adds to the book's depth and meaning.

Read well!

Winter holidays here we come!

Firstly thanks everyone for their support this term. It's been wonderful to offer two meal deals, two special lunches (sushi & nachos), plus a very successful wood raffle, food stall at the athletics carnival & a massive Mother's Day stall, all run by our wonderful volunteers. We couldn't have done this without you.

FlexiSchools News

Well done to those who have embraced Flexischools this term for their lunch ordering. We are seeing increased use of this system.

Winter Jackets & Library Reader bags are now available to order and purchase online. Orders will be processed twice a week by our P&C and sent home with the student.

Please check out our Facebook page for Links to signing up for Flexischools.

Beanies

Yes that's right, we have beanies arriving over the holidays. These will be an official piece of school uniform, and will sell for \$20, via the front office or the Flexischool app. Limited stock in our first order, so get in quick.

Winter Jackets

Sizes displayed in the front office. Jackets can be purchased, for \$70 purchase, via the front office or the Flexischool app.

Reminder "hoodies" under school jumpers are not uniform, please consider the school jackets if your child is cold.

P&C Meeting

The next P&C Meeting will be held on Tuesday 19th July at 7.00pm in the staffroom.

Happy and safe holidays everyone!
Kate Smith (P&C President)

Netball

Last week the netball team travelled to Leeton to play against Park View Public School, whilst the team did not score the win going down 28-21, they are to be congratulated on their sportsmanship and their overall success in making it through to this point in the PSSA Netball Knockout.

School Basketball

Teams

Girls Edward 28 - South 10

Olivia Jeffrey and Sofie Norrish both top scored with 4 points each. Jorja Woolston and Lily Petersen played fantastic games and gave their all, right up to the final siren.

Boys Edward 21 - South 42

Talen top scored with 20 points. Bentley Hardman and Archer Moodie supported

Talen on the scoresheet. Those 3 led the way, with great ball movement to bring all their teammates into the match and make it a complete team effort in their win.

Both boys and girls displayed amazing sportsmanship and respect throughout their games. Their behaviour off court was equally as impressive and are to be commended for how they represented themselves and the school.

AFL Stars

Tomorrow our AFL team will travel to Finley to play against Finley Public School. We wish them all the very best of luck and know that they will represent the school with pride. Huge thanks goes to Mr Moodie for selecting, coaching and coordinating the team as well as, extended to our parents who will assist with travel and no doubt cheering and support.

PSSA Soccer Knockout Match DSPS V DNPS

Last Tuesday, Deniliquin South boys soccer team were defeated by Deniliquin North, 3 goals to 2, at Rotary Park. The South team played with spirit and determination throughout the match. South dominated the early part of the first half, but were unable to press home their advantage. North scored the first two goals, followed by Logan Marshall scoring a goal for South, after some effective forward passing play by the team.

The second half was an even affair, with North scoring their third goal early. Callan Glenn replied for South, kicking a goal from a penalty corner set play. The South team continued to push forward late in the game, seeking an equalising goal but, were unable to capitalise on their opportunities. The team demonstrated sportsmanship throughout the match and were encouraging of one another.

Overall, the team should be proud of their efforts on the day.

A huge thanks to Mr Thomson for refereeing the game and parents who helped out with transport and cheered the team on.
