Term 1 Week 7 - 7/03/2023

## Principal's Message

Dear Parents/Caregivers,

Thank you to all our parents and carers who were able to attend the Welcome BBQ and Information Evening during Week 5. This was a terrific night and a wonderful opportunity where, as a staff we could formally welcome our families and share with them our goals for 2023.

## Administration Meeting

Each Monday morning all staff are involved in an administration meeting that sets them up for the happenings of the week. Unfortunately, during this time the team is unavailable. Should you need assistance please come to the office area and there will be a member of staff who can help.

## Peer Support Training

Students in Year 4, Year 5 and Year 6 participated in the Peer Support Leadership Day last Wednesday the 1<sup>st</sup> March. The students enjoyed participating in activities that were carefully designed by Miss Kerry, that focused on skills of leadership, resilience, problem solving, and positive thinking.

## Absent from School

If your child is going to be absent, parents and carers are asked to notify the school as soon as possible. This can be a note to the teacher, through the school Sentral portal or a phone call to the office. It is the law, that all families and carers make contact with the school to explain any absence.

## Debating Training Day

Isabella Sommerfeld, Archie Beehag, Lily Petersen, Seth Fuess, Brittany De Travers and Ruby McDonnell are heading to North Public School today to participate in a training day focused on developing skills of Public Speaking and Debating. Thank you to Mr Hanns who will be supporting the students on the day.

## Life Education Van Healthy Harold

As well as being the home to Healthy Harold, the Life Education van is a custom-built mobile learning centre equipped with State-of-the-art technology and resources. The programs cover social and emotional learning in children- helping them to build safe and positive relationships. This year the cost will be offset by voluntary contributions, and students will attend free of charge.

## Clean up Australia Day

Last week all classes participated in the Clean Up Australia Day campaign. Each class was given a designated area to clean and tidy. Keeping our school grounds beautiful is everyone's responsibility, every day!

Thank you to Mr Moodie for coordinating our school event.

## School Maintenance

Painting contractors are currently working at the school completing some much-needed painting in classrooms and certain identified outdoor areas. It will be necessary at certain times in the upcoming weeks for classes to be relocated while painting is being completed. Please be reassured that class programs will not be interrupted.

## Printed School Newsletters

Newsletters will no longer be printed and distributed each fortnight. The newsletter will be available to read on the Sentral Portal, the School Website and Facebook happenings group. If you still require a paper copy please contact the front Office.
