Term 3 Week 1 - 19/07/2023

Principal's Message

Dear Parents and Caregivers,

Welcome back to another exciting term of learning, and what an exciting term it will be with Book Week, excursions, STEAM Expo, Education Week and sporting events.

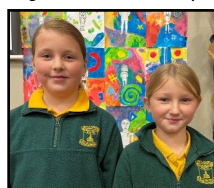

NAIDOC Week

Last term finished with the school celebrating NAIDOC Week. The week began with a very special musical performance from Tjupurru, who used cutting edge musical equipment to teach our students about culture through music. During this week, Kindergarten held a special event to celebrate the theme 'For Our Elders'. Grandparents or a nominated special person joined the students for a lovely shared morning tea. Stage 1 students enjoyed a workshop of dance and drama incorporating native animal movements. Stage 2 participated in some traditional games while Stage 3 made some beautiful flowers from quandong seeds and emu feathers with Auntie Deb Flower. We also had 40 preschool children visit our school to participate in cultural activities involving art, dance, music and sport. The students really enjoyed all the special activities, and learnt a lot about First Nations history and culture. Thank you to Miss Parsons for coordinating our NAIDOC Week celebrations.

Spelling Bee

Congratulations to Travis Hanns who won the senior section of the school Spelling Bee, while Nathan Butcher was the runner up. Peggy McKenzie won the junior section with Laila White as the runner up. Congratulations to all our amazing students who participated, the standard this year was impressive.

Crazy Hair and Jeans for Genes Day

On Friday 30th June, students participated in Crazy Hair and Jeans for Genes Day raising \$220. Thank you to our students and families for so generously supporting these charities.

P & C Association

Actions always speak louder than words when it comes to valuing your child's learning. Joining the P&C is one of the best ways to show your children how much you value their education and how interested you are in what they do. By joining the P&C, you are showing your children that you are committed to helping students and your school community. Participating in P&C activities can also help you to form friendships with other parents/carers and feel a part of your school community. A lot can and has been achieved through the P&C and school working together towards common goals. Everybody has a role to play and your ideas will be heard. The more people involved, the more exciting and successful it will be. And research shows that children perform better at school when their parents are involved in their education.

The next meeting of our P & C is **tonight** in the school staffroom at **7pm**. We hope to see you there.

Have a great week.

Why attendance matters

When your child misses school they miss important opportunities to:

-  Learn
-  Make friends
-  Build skills through fun

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just... they miss weeks per year and years over their school life

1 day per fortnight = 4 weeks = Over 1 year missed

1 day per week = 8 weeks = Over 2.5 years missed
